

## A Boss Love

Fox spent his entire life with his four best friends. They grew up together and trusted each other like brothers, but when their drug empire began to crumble and a large amount of money goes missing, he began to look at every person in his life differently. Including the new love of his life, Jasmine; who has learned his secrets and holds the key to his future in the palm of her hand. When things get tough, is she going to ride for him or will his distrust ruin what he has built with her and his friends.
