

Entrepreneurship: Theory, Process, and Practice

ENTREPRENEURSHIP: THEORY, PROCESS, PRACTICE, 10e, combines a practical, step-by-step approach with a theoretical foundation to form a basic framework for understanding the theory, processes, and practice of entrepreneurship. Recognized for over 25 years as one of the leading books in the field, the aim of the text is to present the most current thinking in entrepreneurship, as well as to provide learners the opportunity to apply ideas and develop useful entrepreneurial skills. This edition has been updated to include current developments and issues in this explosive field.
