

Finding God Through Acronyms Vol 1

God has a sense of humor. If we doubt that, then we've lost out on the most incredible revelations in our natural world. From the sloth to the anteater, we see God's hand of mysterious magnificence in the very creatures that surround us. This collection of acronyms looks at the person of God in a new and unusual way. Interspersed are bits of biblical trivia we may have overlooked in our studies of the Word. Some of us may be familiar with them all, but everyone will find them new and refreshing in this original context. Enjoy God's Word as you've never seen it before.
