

The Cowboys Convenient Bride (Silhouette Special Edition)

Claire Dobbs needed a job and she needed it yesterday. But when the single mother of three arrived at Pine Road Ranch, she didn't expect to be greeted by six-foot-plus of scowling, growling cowboy. After being injured in a bullfight, all Fletcher Kingsley wanted to do was slink home to Honeyford, Oregon, and lick his wounds. The former rodeo champ didn't need a housekeeper. He needed a wife! It was either that or forfeit his beloved family home. It would be a cold day in Honeyford before Fletcher ever got hitched. But having the pretty, spirited widow and her lively brood underfoot could change a man's mind in a hurry. Especially when sweet Claire started him thinking about home and hearth and love?
