

Epitome of a Woman: The Beauty that Comes from Within

Epitome of a Woman is written to encourage the reader through LIFE's journey here on earth. God wants us to have balance and be whole in every area of our lives. The day-to-day tests and trials we go through happen to good people as well as bad. I believe each and every one of us were put here for a purpose, and whether we fulfill that purpose is left up to us. The key is finding that purpose and direction for your life. Tough times never last, but tough people do. In this book I share testimonies of overcoming tough women who endured; a couple have already ended their life's journey and fulfilled their destiny here on earth, but they didn't give up. They made it through, and you can, too. Whatever stage of life you are in - single, married, divorced or widowed - you have to find happiness and peace within yourself. Follow the dreams and the desires deep within you. Don't let anything or anyone stop you from achieving your destiny in life. Remember, a quitter never wins, and a winner never quits.
