

Law Breakers and Love Makers

Deputy Sheriff Jon Sutherland reunites with his high school sweetheart when he responds to a silent alarm she sets off while house sitting. This chance meeting sends the sheriff and Zoe Westmoreland on a roller coaster run for their lives. Burglars escaping from her parents home, send her sprawling. Twice. Then she finds the gardener floating face down in the family pool and interrupts a burglary-in-progress next door. When the gardeners death is ruled a homicide Jon moves in to keep Zoe safe. Not all that easy. Two men try to force their vehicles off the road, and the one time Jon leaves Zoe alone those really bad guys show up again. Thanks to Zoes quick thinking and resourcefulness, the crooks get a free ride to the hospital and she winds up in Jons arms for keeps.
