

Bionicle #8: Legends of Bara Magna (Bionicle Graphic Novels)

For the very first time, Papercutz presents all-new BIONICLE stories never before seen anywhere else, with three stories from BIONICLE scribe Greg Farshtey! Legends of Bara Magna tells the tale of the great war that led to the creation of this harsh region, and the epic conflicts that have defined its existence. From shape-shifting warriors to battles in the brutal deserts of this savage land, Legends of Bara Magna provides BIONICLE followers not only with new storylines, but also presents characters never before seen in any BIONICLE comics. This graphic novel is a must-have for all BIONICLE fans!
