

## All Because I Had A Coach: This Is My Story

I know the plans I have for you declare the Lord, plans to prosper you and not harm you, plans to give you hope and a future. Jeremiah 29:11 All because I had a coach is a testimony of my personal relationship with God. I made a conscious effort to make God the passion in my life. Its because of him I love life and all that it brings. I shared some of my personal experiences in hopes that it inspires someone, whos trying to find their way to their destiny, but keep going down the wrong roads. Ive learned that all roads lead to God. He helps you find that right road that is design just for you. You must develop an unconditional relationship with him and he will give you hope and a future. For me it was through my twenty-five years of marriage that my husband and I learned how to allow God to coach us through some difficult times.
