

## Accidental Baby (Expecting!)

The unexpected father! When Jo had problems, she always turned to Declan Rafferty. He was gorgeous, sexy and highly eligible but to Jo he was simply her best friend. So, crying on his shoulder after a failed romance, Jo was shocked to find herself wanting more from Declan than friendly words of advice. She wanted him to make love to her and he seemed to want the same! But their one stolen night had unexpected consequences. Jo was pregnant, and not at all sure how Declan would react! Declan, however, had no doubts at all. They would get married, for the baby's sake. She's sexy, she's successful and she's PREGNANT!
