

## Sin. Grace. The Christian's Walk.: Three Keswick Messages

Keep short accounts with God: dont let your bills run up. If the devil entices you away from God, go to Christ at once and settle the guilt and have done with it. Bring your confession to God; take it to the Lord, and in that very instant do trust God and believe that it is done away with. Dont go on burdening your soul with a sense of oppression. That is the devils subterfuge, to keep you down when he can get you down by sin. He will keep you down by burdening your soul and blackening your life if he can. We have perfect salvation, and that is perfect communion. I want you to keep clear by instantly confessing, directly you discover anything between yourself and your Father in heaven.
