

Tang Monk Disciples Monkey King: English/Vietnamese (Adventures of Monkey King / Truyen Te Thien Dai Thanh)

In Tang Monk Disciples Monkey King, written by Debby Chen, Monkey King is given the opportunity to be freed from 500 years of imprisonment, if he travels to the West with Tang Monk to secure the sacred scriptures of Buddhism. Although his intentions are good, it doesn't take long for Monkey King's rebelliousness to surface. Tang Monk tries to teach the Monkey King to temper his wild ways and settle conflicts peacefully. In the end, the former adversaries join Tang Monk and Monkey King to travel on to further adventures. The Making of Monkey King and The Monkey King Wreaks Havoc in Heaven are the other books in this series.
