This KJV edition contains the complete old, new testament and apocrypha formatted for easy reading and navigation on the Amazon Kindle. Includes chapter and verse navigation. Jump from chapter to chapter using the Table of Contents and jump to verses in a chapter by clicking on any [chapter:verse] hyperlink and going to an index for that chapter. Or simply search for a book, chapter, verse such as JOB 112 if you want JOB 1:12. A HELP chapter in the beginning of the book explains search techniques in detail. Below is a sample of how this bible is formatted. Each chapter:verse is on a new line with the [chapter:verse] number neatly aligned along the left side of the screen. This makes it easy to visually locate a chapter:verse on the Kindle screen. Anyone of the chapter:verse indicators on the screen can be clicked upon and that will take you to a complete index for that chapter. From there the index allows you to quickly jump to any section of the chapter or book. Sample:[1:1] In the beginning God created the heaven and the earth.[1:2] And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.[1:3] And God said, Let there be light: and there was light.
