

## Take Away the Accursed Thing from Among You

The Lord is going to show you how to get rid of unnecessary afflictions, illnesses, and injuries by cleansing your houses, apartments, cars, churches, and the rest of your lives of objectionable things that are violating Joshua 7:11 and 7:13. What follows is a clear example of the consequences of having an objectionable item in your life (in this case, a simple tie pin) and the great blessing that occurs when you get rid of the objectionable item. I have a friend who had difficulty staying alert and awake during the sermons when he attended church. This went on for several months, until, one day he noticed that the tie pin that he wore to every service had a dragon on it. He got rid of the tie pin and from that moment on, he no longer had trouble staying alert and awake during the sermons. Praise the Lord!
