

In Papa Bears Bed (Fairy Tale Series)

Once upon a time Tucked way out in the woods, runaway Jessica Barnes found a tiny cabin after she wrecked her car in a freak snowstorm. There was nobody home, so she rested in a downy chair that was too big, ate some leftover macaroni and cheese that was too small, and lay down in a comfortable bed that was just right. When Rob Berenson and his two kids returned home, they found her. One look at the naked blonde between his sheets and, much as Rob had his own secrets to hide, he didnt want this Goldilocks to run away! Once Upon a Kiss Could they live happily ever after?
