

## The Truth

THE TRUTH A midnight kiss with a stranger at a New Years Eve party started the whirlwind romance. Five years later, Alyssa and Grant Kennedy have the perfect marriage. Alyssa is a doctor while Grant is an accountant for his familys business. They live in a gorgeous mini-mansion with a white picket fence and are about to start a family. Things couldnt be better, could they? Unfortunately, things arent always what they seem. We live in a world filled with lies. Some lies are to make people feel good. Some lies are to make ourselves look better. Some lies are unforgivable and some lies get people killed. What is the biggest lie youve ever told?
